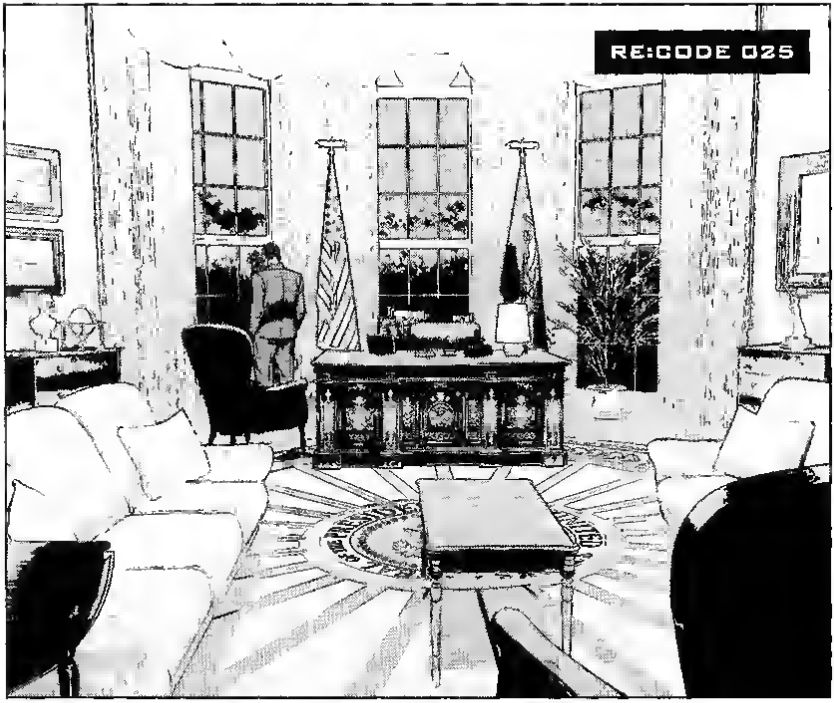
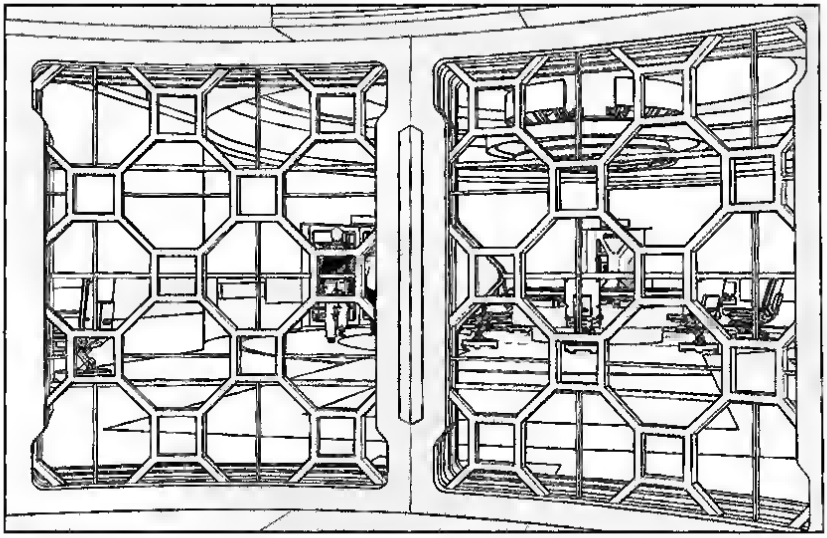
THE WHITE HOUSE

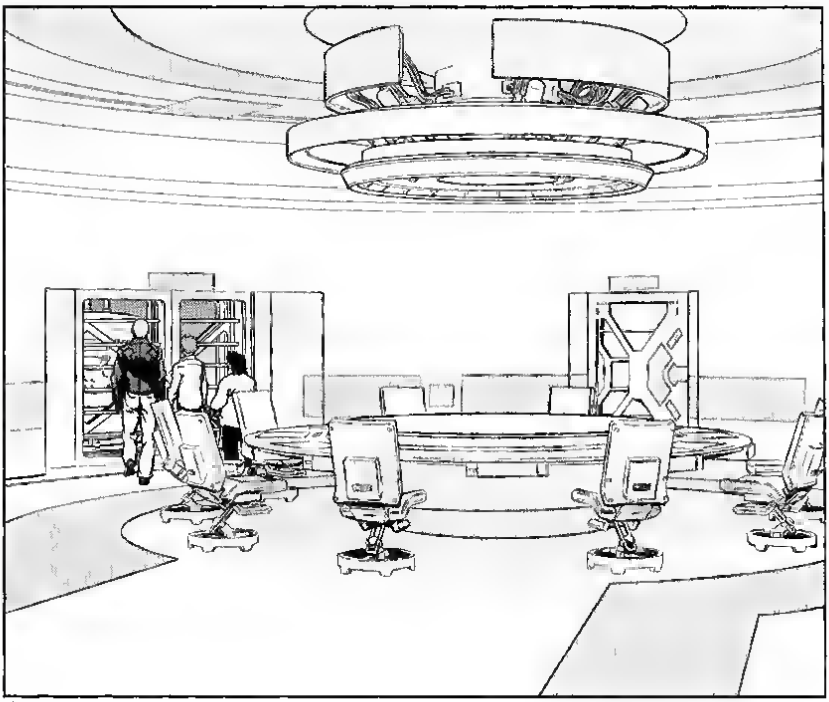


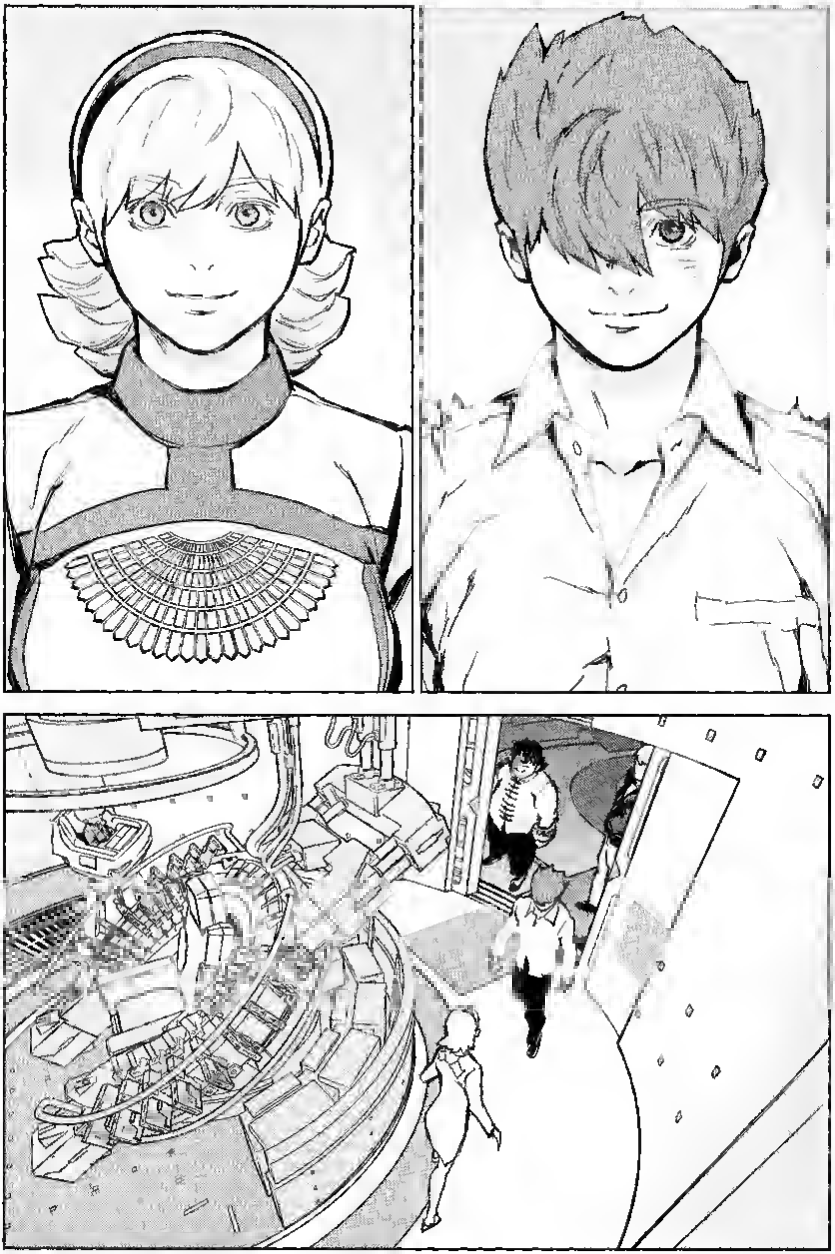
RE:CODE 025

WHAT ARE YOU SO WORRIED ABOUT?
I SIMPLY ACTED IN ACCORDANCE WITH *HIS VOICE.*

THE ZERO ZERO NUMBER CYBORGS...
BY MAKING THEM RESPONSIBLE FOR THIS, THE PRIDE OF THE U.S. WILL BE MAINTAINED.







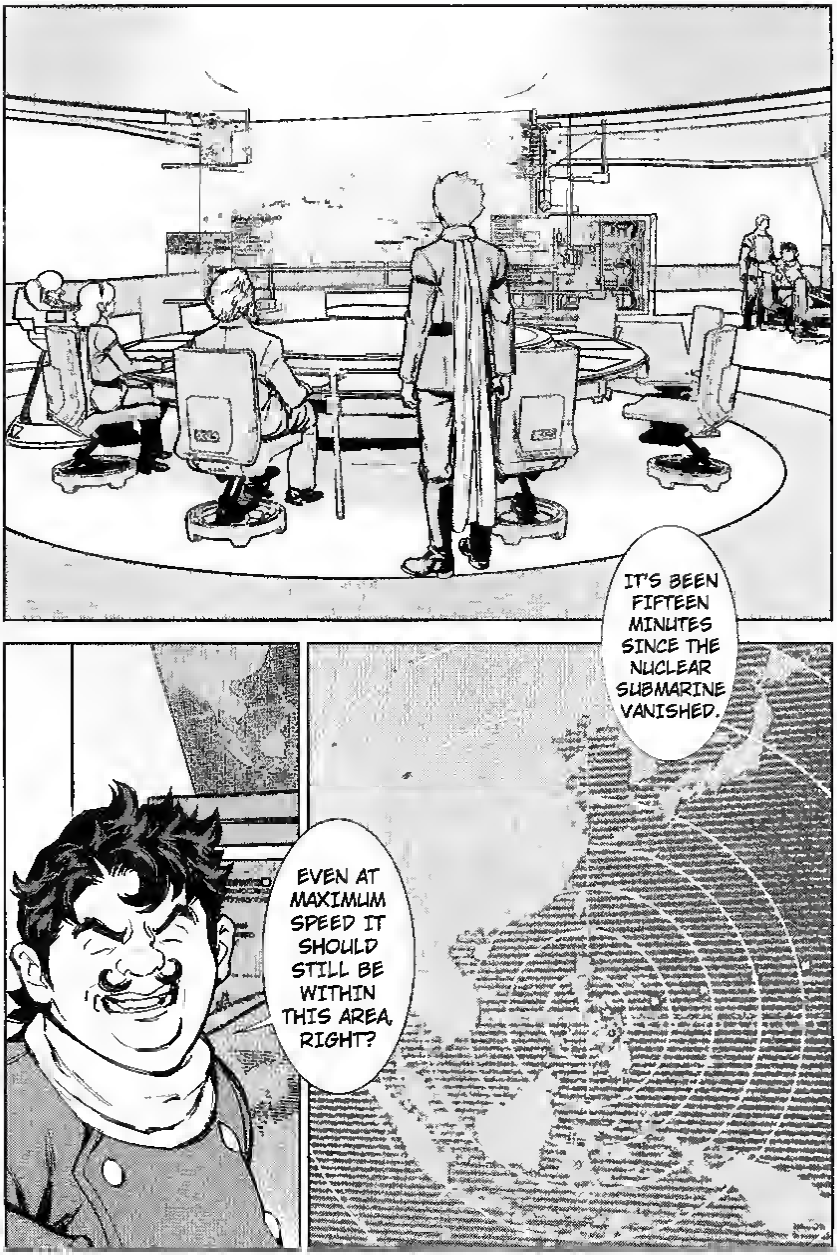
I WORRIED YOU, FRANCOISE.
I'M JUST GLAD YOU'RE SAFE.

I FELT GUILTY FOR NOT DYING ALONG WITH ALL THOSE OTHER PEOPLE.
WHEN THE NUCLEAR MISSILE EXPLODED IN DUBAI,
IT'S THANKS TO YOU, FRANCOISE.
BUT NOW I KNOW WHY I SURVIVED.
?

I CAN HEAR *HIS VOICE* IN A COMPLETELY DIFFERENT WAY NOW.
DOCTOR!

I'M SURE I CAN STOP THE SUBMARINE'S NUCLEAR ATTACK.
TELL US THE PLAN!
...

I CAN'T GIVE YOU ANY ORDERS...
NOT LOOKING LIKE THAT.



IT'S BEEN FIFTEEN MINUTES SINCE THE NUCLEAR SUBMARINE VANISHED.
EVEN AT MAXIMUM SPEED IT SHOULD STILL BE WITHIN THIS AREA, RIGHT?

IF I DON'T KNOW THE EXACT LOCATION ...
CAN'T WE TELEPORT ONTO THE SUBMARINE AND DIRECTLY STOP IT OURSELVES?
THEN IT WON'T BE POSSIBLE FOR ME TO TELEPORT YOU TO IT.
BUT IF THE INTEL FROM JET IS CORRECT AND THEY'RE FOLLOWING STANDARD MISSILE LAUNCH PROCEDURE...
THEN THEIR NUCLEAR MISSILES WILL BE LAUNCHED IN FIFTEEN MINUTES.

WHAT ABOUT THE INTERCEPTOR MISSILES?
FRANCOISE !
POSSIBLE INTERCEPTOR WEAPONS...

THEY ALL... DON'T HAVE ENOUGH INTERCEPTION ALTITUDE.
NO GOOD...
WAIT!
I FOUND ONE!
THE U.S. NAVY AEGIS CRUISER, THE SENTINEL, USED FOR MISSILE TESTS JUST OFF THE COAST OF HAWAII CAN BE USED!

WITH THESE MISSILES ...
WE'LL BE ABLE TO INTERCEPT THE SUBMARINE'S BALLISTIC MISSILES.
ALRIGHT, LET'S GO WITH THAT.
IVAN, SEND FRANCOISE, JOE, AND HEINRICH ONBOARD THE AEGIS.
JOE, ONCE YOU'RE THERE, TAKE CONTROL OF THE COMBAT INFORMATION CENTER.
HEINRICH WILL PROVIDE BACKUP.

CHAN CHANKO, LOOK AFTER IVAN AND THE DOCTOR!

IS EVERYONE READY?

HAWAII
OFFSHORE
KAUI ISLAND

ドン

THE OBJECTIVE C.I.C IS LOCATED IN THE SHIP'S MID-SECTION...
I'LL BE ABLE TO CONTROL THE MISSILE WEAPON SYSTEM FROM THERE.
